

NOTICE

APPENDIX A

THE LIEN CLAIMANT DOES NOT RELY ON TITLE 15 AS A BASIS FOR THE "COMMERCIAL LIEN". ALL COMMERCIAL PROCESS, BY USING OR RELYING ON NOTES OR PAPER IN COMMERCE (e.g. Federal reserve notes), Must bear some sort of federal tracking code, a county recorder's number or a serial number, which process must be accessible for inspection at the nearest relevant county recorder's Office or be widely advertised. When a lien matures in three months, ninety days, by default of the lien Debtor through the lien Debtor's failure to rebut the AFFIDAVIT OF OBLIGATION point for point categorically, it becomes an accounts receivable in the ordinary sense of a collectable debt upon which assignments, collateralization, and other, commercial transactions can be based, hence becomes security subject to observation, tracking and regulation by the United States Securities and Exchange Commission (Hereinafter U.S. S.E.C.).

The notion "A Security- 15 USC" is a flag in commerce tell the U.S.S.E.C. that a speculation account is being established to enforce a lien. The U.S. S.E.C. can monitor the process. As long as the Process is truthful, open and above-board (Full Disclosure), the U.S.S.E.C. has no jurisdiction over it, for even the U.S. S.E.C. has no jurisdiction over the truth of testimony, depositions, affidavits and affidavits of obligation (commercial liens), and an rebutted affidavit stands as the truth in Commerce.

Legal Authority: Universal moral/existential truths/principles, expressed in Judaic (Mosaic) orthodox Hebrew bible commercial code, corollary to Exodus (chiefly Exodus 20:15,16) This is the best known commercial process in America.

When an affidavit is so flagged in Commerce, it becomes a Federal Document because it could become translated into a security (for example by being attached in support of a Commercial Lien), and not accepting and/or filing a Commercial Affidavit becomes a Federal Offense.
